Add additional views to any printed package for \$20 per view

8x12 is recommended to maintain image proportion and integrity and to avoid unwanted cropping. The 8x10 size is available by request.

We use a professional grade luster paper with archival dye stability guaranteed to exceed fifty years.

All packages can be customized to fit your needs by switching equivalent sizes or trading specialty items within the package.

Collection additions

FRIENDSHIP WALLET PRINTS

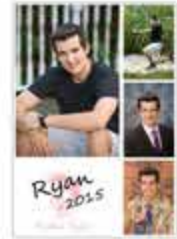

Add additional wallet prints to any collection at the discounted prices listed below. Our wallet prints are a large 2.5x3.5 inch size and come with rounded corners in multiples of 8. Personalize your wallet prints with your name and graduation year for no additional cost.

Collages, Displays and Portfolios

Many of our portrait collections include multi-image framed displays either in montage design or presented in multi opening mats. These collages and presentations allow you to display, in a beautiful grouping, more views than the image selections limited to most collections.

You may also add a wide variety of collages and displays to any collection at discounted *With Collection* prices. This is an elegant and economical way to show off more views from your preview set.

OIL PAINTING

Transform your portrait into an actual oil painting. Your favorite image will be printed on canvas and hand painted in oils by a highly skilled artist. The integrity of the subject will be maintained, yet the background and foreground will be enhanced. The result is a one of a kind portrait reflecting the elegance and feeling reminiscent of the old masters.
